

PROGRAMS OF EXCELLENCE

Programs of Excellence meet or exceed the LifeSource Performance Guidelines for Quality Inclusion. For more information about the guidelines, please visit our website at www.cignallifesource.com and click on "Patients and Families", and then "Our Transplant Network." States in green represent where these facilities are located. PLEASE NOTE: Hospital and individual transplant program participation is subject to change without advance notice. Please check the list regularly to make sure you have the most up-to-date information.

Cigna LifeSOURCE Transplant Network contracts with over **800 transplant programs** at more than **165 independent transplant centers**. We provide our clients and customers with the access they need for organ and bone marrow/stem cell transplantation while improving cost containment and reducing their financial risk.

Both = Adult and Pediatric; Ped. = Pediatric; LD = Includes Living Donor; Kidney – all programs include deceased and living donor.

¹ Hospital's contract is for Cigna members only.

³ Facility does not accept international patients.

⁴ Programs listed in the VAD network have been approved for Destination Therapy and have agreed to participate in this Network.

⁵ Facility does not accept patients with insurance or health plan based in Puerto Rico

⁶ Evaluation and post-transplant follow-up care may be done at MedStar Washington Hospital Center.
