

# PROGRAMS OF EXCELLENCE

Programs of Excellence meet or exceed the LifeSource Performance Guidelines for Quality Inclusion. For more information about the guidelines, please visit our website at [www.cignalifesource.com](http://www.cignalifesource.com) and click on “Patients and Families”, and then “Our Transplant Network.” States in green represent where these facilities are located. PLEASE NOTE: Hospital and individual transplant program participation is subject to change without advance notice. Please check the list regularly to make sure you have the most up-to-date information.

Cigna LifeSOURCE Transplant Network contracts with over **800 transplant programs** at more than **165 independent transplant centers**. We provide our clients and customers with the access they need for organ and bone marrow/stem cell transplantation while improving cost containment and reducing their financial risk.

Both = Adult and Pediatric; Ped. = Pediatric; LD = Includes Living Donor; Kidney – all programs include deceased and living donor.

<sup>1</sup> Hospital's contract is for Cigna members only.

<sup>3</sup> Facility does not accept international patients.

<sup>4</sup> Programs listed in the VAD network have been approved for Destination Therapy and have agreed to participate in this Network.

<sup>5</sup> Facility does not accept patients with insurance or health plan based in Puerto Rico

<sup>6</sup> Evaluation and post-transplant follow-up care may be done at MedStar Washington Hospital Center.
